In some cases, a newspaper group includes both daily and weekly newspapers, and writers, photographers and graphic design staff who are assigned primarily to a daily newspaper periodically provide work to weeklies in the group. In such instances, weeklies may not enter work done by daily newspaper staff in the Better Newspaper Contest.

In a newspaper group, if the same item, such as a column or photography, is published by more than one newspaper in a group, only one newspaper may enter the item in the Better Newspaper Contest.

Thank you in advance for your support in this very important contest.
