Alzheimer's Disease

Carillon Assisted Living can help.

"I thought my mother was destined for a nursing home until we found **The Garden Place** at Carillon. Now she gets 24-hour care in a secure residential setting from a specially trained staff that's always ready to help. And with activities to fit Mom's changing needs, we're both smiling again."

The affordable monthly fee includes:

- 3 daily meals with snacks.
- Medication management.
- Full calendar of activity programs.
- Secured garden with walking paths.
- Worship services.
- Private or shared rooms.
- Short-term care available.
