

FOR ALL THE WAYS YOU PLAY!

EXPLORE A STORY

Thursday, August 27, 10-11am

Kids Story and Nature Exploration Group. 2nd and 4th Thursday of each month during the traditional school year. Ages 3-5. Enjoy storytime, nature explorations and nature crafts. We will go for short exploratory walks if weather permits. Meets in the Visitor Center. Each child must be accompanied by an adult.

FREE! Pre-registration required!

WILDLIFE HABITAT STEWARDS TRAINING

Saturday, Sept. 12 & 19, Sunday, Sept. 13, 9am-5pm

National Wildlife Habitat Stewards Training presented by the North Carolina Wildlife Federation and Bass Lake Park. Three days of intensive training involving wildlife habitat study, establishment and maintenance. Program volunteers will be trained to help others establish their own wildlife habitats. Fees include training manual, handouts, and snacks. Please register by September 1st.

JUNIOR ENGINEERING

Wednesday, Sept. 2-Oct. 21, 6-7pm (Course Code # 6419)

Join us as we explore, investigate & solve problems while we learn about the building blocks of engineering — simple machines. Students enjoy hand-on activities with levers, gears, wheels, axles & pulleys that incorporate math, science & creativity. Ages 6-8. Minimum of 5, maximum of 12

Resident: \$149, Non-Resident: \$178

CLAY ANIMATION 2

Wednesday, Sept. 9-Oct 14, 7-8pm (Course Code # 6427)

Wednesday, Oct 28-Dec 9 (No class Nov 11), **7-8pm** (Course Code # 6428)

As student's technical skills grow, so will the complexity of the animation projects they create. Student teams will develop a script and create a storyboard for production. Students will use state-of-the-art cameras, software and computers to bring their own characters and models to life. Ages 9-11. Minimum of 5, maximum of 16

Resident: \$109, Non-Resident: \$130
