LOGAN COUNTY REALTY

Do you know that buyers may be eligible to for a \$8,000 tax credit???

LOGAN COUNTY REALTY

This is not a loan & does not have to be repaid if you do not sell the home in 3 years. The tax credit can be taken for 2008 even when the home is purchased in 2009. I can possibly help you, the buyer, get 100% home loan— then you can save the refund, pay off bills with it, use it for education, or use it for any purpose!
